International Optometric Honor Society

## 2009 Research Grant Recipients

### Illinois College of Optometry

- Frederick Collison and My Nga Huynh, *“The Effect of Pupil Size on Perceived Brightness with Yellow Tinted Lenses”*

### New England College of Optometry

- Lee Michael Johnson, *“Retinal Contour Measured from Peripheral Refraction: Effects on Pupil Size and Accommodation”*

### Nova Southeastern University College of Optometry

- Jenalyn Jotie, *“Objective Evaluation of Visual Performance of Various Contact Lenses”*

### The Ohio State University College of Optometry

- Joseph Conrad, *“Vision Therapy for Traumatic Brain Injury”*
- Laura Ashley Lossing, *“The Accommodative Response”*
- Andrew Pucker, *“Omega-3 Fatty Acid Regulation of Inflammatory Molecules Induced by Hyperosmolar Stress in Corneal Epithelial Cells”*

### Southern California College of Optometry

- Sandra Marin and Mai Nguyen, *“Ocular Residence Time Versus the Retention Effect of Blink Tears Lubricating Eye Drops in Dry Eye Subjects”*
- Tara Vacharkulksemsuk and Umari Duffus, *“A Comparison of Manual Drying vs. Air-Drying Contact Lens Cases”*
- Thu Trang Nguyen and Cynthia N. Truong, *“Effectiveness of Saline Versus Multi-Purpose Solution Against Common Bacteria in Soft Contact Lens Wear”*

### University of Waterloo School of Optometry

- Violet Zawada, *“Smoking Cessation Referrals and Optometrists - Assessing Practices and Opportunities in Canada”*
